Private Label Dynamics

MORE THAN 10 YEARS AS A LEADER IN THE PROFESSIONAL HAIR AND SKIN CARE INDUSTRY

Private Label Dynamics is committed to “making life easier” for the salon owner and stylist. An Australian based company with global reach, we are one of the rare hair and skin care companies still owned by a Hairdresser. Founder Tristram Hoppe’s career took him from the competitive streets of Brisbane to the sandy coast of Noosa where, ultimately, he has followed his passion to create.

As a result, we offer not just top tier products but the education and business tools to help a beauty salon thrive. Private Label Dynamics boasts a refined line of exceptionally formulated products for all skin types and conditions.

Our products are sold in over 1000 salons around the world and are guaranteed to be purchased only by authorised professional beauty outlets and prestige stores.

Our skin care range is made here in Australia from Certified Organic and Naturally Derived ingredients and is 100% Vegan and Cruelty Free. Our formulas are free of artificial colors and fragrances, mineral oil, lanolin, S.D. alcohol, parabens and microplastics.

We are committed and conscious on our impact on the planet by using sustainable packaging.

Revitalise Exfoliating Mask

100GR | 240GR

Skin Diagnosis

Normal | Dry | Mature Skin Types

This treatment is infused with a blend of fruit enzymes that have exfoliating properties to remove dead and damaged skin. Oat Flour helps to soothe and calm the skin, making this an ideal gentle treatment that can be used on even the most sensitive skins. Known for its antiseptic properties, Lavender Essential Oil will also help with the relief of itchy skin.

Directions For Use

This treatment comes in powder a form. Simply add a small amount of water to create a creamy paste, gently rub into the skin for 1-2 minutes, and leave on for 5-10 minutes before removing with cotton pads or a heated towel.

For best results, make this mask up just prior to use, as the water activates the fruit enzymes which are at their most potent directly after water is applied.

INGREDIENTS: Kaolin (White Clay), Quartz (Pink Clay), Cocos Nucifera (Coconut) Shell Powder, Oryza Sativa (Rice) Powder*, Avena Sativa (Oat) Kernel Flour, Ananas Comosus (Pineapple Powder), Tapioca Starch, Lavandula Angustifolia Oil (Lavender) Essential Oil*. *Certified Organic Ingredients

COCONUT SHELL POWDER

A natural exfoliant that helps to scrub away dead skin cells and blackheads

PINEAPPLE POWDER EXTRACT

Sloughs off dead cells on the surface of the skin

LAVENDER ESSENTIAL OIL

Holds both antimicrobial and antifungal properties

Brightening 'C' Serum

30ML | 125ML

Skin Diagnosis

Normal | Dry | Mature Skin Types

Our Aloe Vera gel-based serum contains a blend of Vitamin C and Kakadu Plum Extract. Tests have shown Kakadu Plum has the world's highest levels of Vitamin C which is well-known for its skin-brightening properties. Combined with Marine Collagen, this serum slows skin metabolism, impairing processes responsible for the loss of collagenous extracellular matrix.

Directions For Use

Apply a small amount to the face and neck and massage in using gentle upward strokes. For best results, apply a moisturiser over the top of serum. Avoid eye area.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Glycerin, Propanediol, Hydrolyzed Marine Collagen, Sodium Hyaluronate, Sodium PCA, Sodium Ascorbyl Phosphate, Betaine, Tocopherol, Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract*, Davidsonia Jerseyana (Davidson Plum) Fruit Extract*, Hibiscus Sabdariffa Flower (Hibiscus) Extract, Panthenol, Pelargonium Capitatum (Rose Geranium) leaf extract, Polysorbate 20, Phenoxyethanol, Ethylhexylglycerin, Xanthan Gum, Citric acid, Sodium Edetate.

*Certified Organic Ingredients

BEARBERRY EXTRACT

High in antioxidants and skin brightening properties

HYDROLYZED MARINE COLLAGEN (PLANT BASED)

Improves skin elasticity and reduces visible wrinkles

KAKADU PLUM EXTRACT

Stimulates growth of collagen and helps to reduce fine lines and wrinkles

KEY BENEFITS

Corrective Serum

30ML | 125ML

Skin Diagnosis

Oily | Combination | Problematic Skin Types

Our organic Aloe Vera based serum contains Pomegranate Seed Oil which is packed with potent actives that support collagen production and skin repair. This serum also contains Quercus which gives an immediate lift and smoothness to the skin. The peptide complexes help to diminish the appearance of fine lines and wrinkles, and improve overall skin tone and texture. This combination of vitamins, hyaluronic acid and oils helps to hydrate the skin and protect it from daily aggressions.

Directions For Use

Shake well to ensure a perfect mix. Put 2-4 drops in the palm of your hand and rapidly spread the serum foundation out, concentrating on areas where most imperfections are found. Apply directly after cleansing, morning and night. Following with our Hydrating Cream will leave your skin hydrated and rejuvenated.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Glycerin, Propanediol, Butylene Glycol, Carbomer, Polysorbate 20, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Dipropylene Glycol, Quercus Suber Bark Extract, Panthenol, Phenoxyethanol, Ethylhexylglycerin, Silica, Ubiquinone, Sodium Hyaluronate (Vegan), Ascorbyl Tetraisopalmitate, Punica Granatum (Pomegranate) Seed Oil, Hippophae Rhamnoides (Seabuckthorn) Fruit Oil, Persea Gratissima (Avocado) Oil*, Simmondsia Chinensis (Jojoba) Seed Oil*, Xanthan Gum.

KEY BENEFITS

Balancing Moisturiser

60ML | 200ML

Skin Diagnosis

Oily | Combination | Problematic Skin Types

This light, enzymatic vegan lotion absorbs instantly, leaving no greasy residue. Suitable for problematic or acne prone skin types. As the hyaluronate acid blends, it works to dissolve dead skin cell build-ups throughout the day, allowing pores to remain clean and unclogged.

Directions For Use

AM/PM: After cleansing and toning, apply a small amount of Balancing Moisturiser to the entire face or areas prone to excess oil, breakouts and congestion with light sweeping motions, avoiding the eye area. Provides a great base for makeup. For best results and optimised absorption, cleanse and exfoliate dead skin cells prior to use.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Glycerin, Coco-Caprylate, Dicaprylyl Carbonate, Polyglyceryl-3 Stearate, Glyceryl Stearate Citrate, Vitis Vinifera (Grape) Seed Oil, Glyceryl Caprylate, Xanthan Gum, Glycyrrhiza Glabra (Licorice) Root Extract*, Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract*, Santalum Acuminatum (Quandong) Fruit Extract*, Arnica Montana Flower Extract*, Calendula Officinalis Flower Extract*, Chamomilla Recutita (Matricaria) Flower Extract*, Tocopherol (Vitamin E), Sodium Hyaluronate, Phenoxyethanol, Ethylhexylglycerin, Sodium Acrylates Copolymer, Lecithin. *Certified Organic Ingredients

Tanning Mousse

200ML

Skin Diagnosis

All Skin Types

Our lightweight Self-Tanning Foam is simple to apply and gives a medium tan with a long lasting finish. Enriched with Aloe Vera and Jojoba Oil, this premium quality formula hydrates the skin during and after the tanning process.

Directions For Use

Our tanning mousse contains 10% DHA to provide a medium tan finish that is long-lasting. For best results, exfoliate 24 hours before application and moisturise any dry areas such as knees and ankles. We recommend using a tanning mitt to apply the foam. Wait until touch-dry before getting dressed.

Allow 4-8 hours before showering to allow tan to develop. To maintain your tan, ensure you are moisturising your skin often.

Encapsulated retinol is a version of retinol that envelops the ingredient in a protective, multi-layer liquid crystalline microsphere. When applied to skin, its moisturising outer coating time-releases the active retinol which penetrates deep into the skin to deliver superior results while also mitigating potential side effects.

Directions For Use

To be used in the evening on its own or under cream. Avoid exposure to UV and use sunscreen as use of retinol may increase sensitivity to sunlight. Please note that there may be some redness or irritation on initial use. It is advised that retinol products should not be used by pregnant women.
