HAIRCARE
COLLECTION

More than 10 years as a leader in the professional Hair and Skin care industry

All Private Label Dynamics hair care products are formulated to offer the highest grade of quality, equal or superior to existing developed brands currently on sale in hair salons around Australia and the rest of the world.

Our full range is free from sulfates, parabens, ethoxylates, propylene glycol, petrochemical cleansers, phthalates, DEA and artificial colours. Our Shampoo and Conditioner ranges are also silicone free. Products are not tested on animals.

With a well thought out selection to choose from, our design team is confident we can find a style that will suit your needs. We can also create a unique label design for your brand.

Private Label Dynamics makes every effort to protect the industry by supplying only to hair and beauty professionals and NEVER to the final consumer.

We are committed to and conscious of our impact on the planet by using sustainable packaging.

HAIR DIAGNOSIS
Hair Growth & Scalp Care

Our Hair Growth Shampoo is a gentle, scalp-focused formula created for fine, fragile or low-density-looking hair. Powered by Capixyl and Redensyl, it helps remove excess oil and build-up while supporting stronger, fuller-looking hair.

DIRECTIONS OF USE Apply to wet hair and scalp. Massage gently to create a rich lather, then work through the lengths. Leave on for 1–2 minutes before rinsing thoroughly. For best results, follow with our Hair Growth Conditioner and Hair Growth Serum.

THE COMPLETE HAIR GROWTH ROUTINE
Shampoo + Conditioner + Serum.
Designed to work together as a complete scalp and hair-focused system.

INGREDIENTS: Aqua, Sodium Methyl Cocoyl Taurate, Cocamidopropyl Betaine, Glycerin, Sodium Lauroamphoacetate, Parfum, Coco-Glucoside, Glyceryl Oleate, Polyquaternium-7, Hydrolyzed Quinoa, Phenoxyethanol, Propanediol, Sodium Chloride, Butylene Glycol, Polyquaternium-10, Potassium Sorbate, Panthenol, Biotin, Hydrolyzed Jojoba Esters, Serenoa Serrulata Fruit Extract (Saw Palmetto)*, Rosmarinus Officinalis (Rosemary) Leaf Oil*, Cucurbita Pepo (Pumpkin) Seed Oil*, Eleutherococcus Senticosus Root Extract (Ginseng)*, Ethylhexylglycerin, Dextran, Acetyl Tetrapeptide-3, Trifolium Pratense Flower Extract (Red Clover), Larix Europaea Wood Extract (Larch), Camellia Sinensis Leaf Extract (Green Tea), Glycine, Zinc Chloride, Sodium Metabisulfite, Citric Acid. *Certified Organic Ingredients

Key Ingredients

REDENSYL A multi-component scalp active featuring larch and green tea extracts, glycine and zinc. It supports the healthy-looking scalp and denser-looking hair positioning.

CAPIXYL A scalp and hair-density active combining a biomimetic peptide with red clover extract. It supports the range's fuller-looking hair, scalp vitality and strengthening positioning.

Head Lice Treatment

50ml | 250ml | 1L

HAIR DIAGNOSIS
Hair with signs of head lice

Our Head Lice Treatment is a lightweight product that helps to detect the presence of head lice and eggs and disable them. Our unique conditioning system can help penetrate and break the bond between head lice and the hair. This helps loosen them, allowing them to be combed out without difficulty.

DIRECTIONS OF USE
Shake well before use. Apply thoroughly, leave in for 5 minutes, then use a head lice comb to remove lice. Repeat in 2-4 days.

INGREDIENTS: Aqua, Glycerin, Cetearyl Alcohol, Behentrimonium Chloride, Coco-Caprylate, Argania Spinosa Kernel Oil (Argan Oil)*, Panthenol (ProVitamin B5), Polyquaternium-10, Linum Usitatissmum (Flax) Seed Oil*, Polyquaternium 7, Hydrolyzed Quinoa, Melaleuca Alternafolia (Tea Tree) Leaf Oil, Brachychiton Acerifolius Flower (Flame tree) Extract*, Olea Europaea (Olive) Fruit Oil*, Persea Gratissima (Avocado) Oil*, Panax Ginseng Root Extract*, Urtica Dioica (Nettle) Extract*, Telopea Speciosissima Leaf (Waratah) Extract*, Phenoxyethanol, Ethylhexylglycerin, Parfum, Sodium Edetate, Citric Acid.
*Certified Organic Ingredients

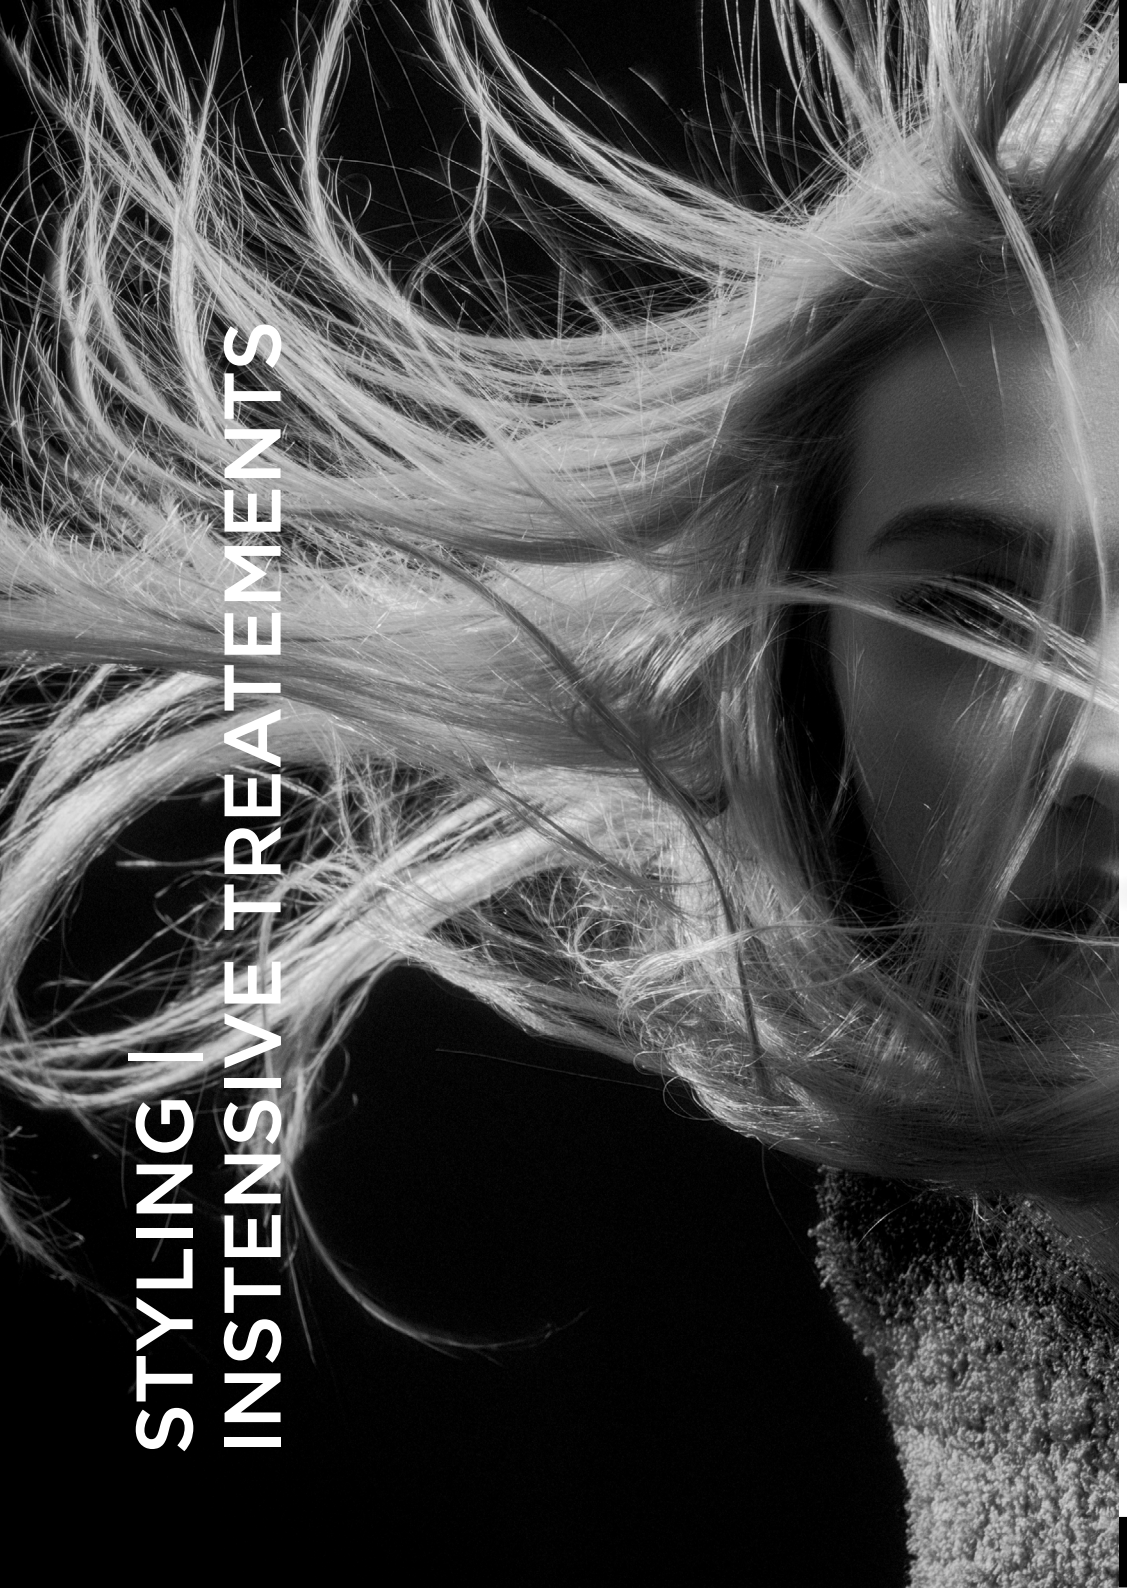

Key Ingredients

MELALEUCA ALTERNAFOLIA (TEA TREE) LEAF OIL Contains antimicrobial properties which make it an excellent cleansing ingredient that has also been shown to effectively fight many times of bacteria, viruses and fungi.

BRACHYCHITON ACERIFOLUS FLOWER (FLAME TREE) EXTRACT Conditions hair and acts as an anti-inflammatory agent, helping to achieve volume whilst smoothing hair follicles for hair that is soft, shiny, supple and easy to comb.

Curl Spray

125ml

HAIR DIAGNOSIS
Everyday spray for curly hair

Our Curl Spray works to tame frizz and achieve that perfect natural curl. Using patented technology, this spray smooths, hydrates and enhances curly hair whilst also adding texture and volume.

DIRECTIONS FOR USE
Spray liberally onto towel-dried hair after washing. Style using a diffuser or leave to air dry for natural curls.

INGREDIENTS: Aqua, Denatured Alcohol (Ethanol), Polysorbate-20, Fragrance, Polyquaternium – 72, Panthenol (ProVitamin B5), Sodium PCA, Hydrolyzed Rice Protein, Arvense (Horsetail) Leaf Extract, Urtica Dioica (Nettle) Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Arnica Montana (Arnica Flower) Extract, Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract*.
*Certified Organic Ingredients

Key Ingredients

HYDROLYZED RICE PROTEIN Shown to increase hair volume by up to 44% with continued use and 12% on instant use.

Packaging Options

Split End Serum

125ml

HAIR DIAGNOSIS
Dry, damaged & frayed hair

Our Split End Serum is a lightweight yet deeply nourishing treatment that not only helps to seal, smooth and rebuild thin and frayed ends, but also fortifies and protects hair from future damage. Containing Marshmallow Root Extract* and Arnica Flower Extract*, this serum provides an intensive treatment that delivers nourishment deep into the cuticle of the hair, leaving your hair silky, shiny and easy to maintain.

DIRECTIONS OF USE
Pump a small amount into hands and work through the mid-lengths and ends of towel-dried hair. Leave-in serum, suitable for daily use. *To prevent an oily scalp, avoid applying directly to roots of hair.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Behentrimonium Methosulfate, Glycerin, Hydroxypropyl Guar Hydroxypropyltrimonium Chloride, Glyceryl Stearate, C13-16 Isoalkane, Cocos Nucifera (Coconut) Oil*, Argania Spinosa Kernel Oil (Argan Oil)*, Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract*, Hibiscus Sabdariffa Flower Extract, Arnica Montana (Arnica) Flower Extract, Althaea Rosea (Marshmallow) Root Extract, Parfum, Phenoxyethanol, Ethylhexylglycerin, Citric Acid. *Certified Organic Ingredients

Key Ingredients

COCONUT OIL Reduces protein loss, helping to moisturise and seal damaged hair.

ARGAN OIL Moisturises the hair and scalp whilst protecting it from everyday damage and reducing split ends and breakages.

KAKADU PLUM EXTRACT Stimulates growth of collagen and elastin, supporting strong, healthy hair.

Packaging Options

Argan Oil

60ml | 125ml | 500ml (refill)

HAIR DIAGNOSIS
For medium to long hair. All densities

Our Argan Oil Hair Serum delivers instant shine and long-lasting rejuvenation. Argan Oil naturally penetrates the hair to help moisturise each layer of the hair strand for long-term hair repair, resulting in hair that looks and feels healthier, silkier, and extraordinarily shiny.

Subtly scented with geranium oils, the ultra-light, never-greasy, alcohol-free formula helps to seal split ends and deliver intense moisture to each layer of the hair strand. All hair types will instantly benefit from healthier looking and feeling hair. For best results, apply the smallest amount to mid-lengths and ends of the hair prior to blow drying.

DIRECTIONS OF USE
Apply a small amount to towel-dried hair, focusing on mid-lengths and ends. Style as desired for a shiny finish. To prevent an oily scalp, avoid applying directly to roots of hair.

INGREDIENTS: Cyclopentasiloxane, Dimethiconol, Argania Spinosa (Argan) Kernel Oil*, Tocopherol (Vitamin E), Macadamia Integrifolia (Macadamia) Seed Oil*, Parfum. *Certified Organic Ingredients

Key Ingredients

ARGAN OIL Moisturises the hair and scalp whilst protecting it from everyday damage and reducing split ends and breakages.

Packaging Options

Repair Spray

125ml | 1000ml (refill)

HAIR DIAGNOSIS
For highly damaged hair

A moisturising Repair Spray that is lightweight and non-greasy, this amazing product is filled with vitamins and minerals, making breakage a thing of the past. Best used on highly damaged hair caused by either bleaching or consistent use of heat styling tools.

DIRECTIONS OF USE
Spray liberally over towel-dried hair, focusing on mid-lengths and ends. Comb through and style as needed.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Propanediol, Glycerin, Hydrolyzed Jojoba Esters, Panthenol, Ginkgo Biloba Leaf Extract, Arnica Montana Flower (Arnica) Extract, Parfum, Phenoxyethanol, Ethylhexylglycerin, Polysorbate-20, Citric Acid.
*Certified Organic Ingredients

Key Ingredients

GINKGO BILOBA LEAF EXTRACT Highly active ingredient for damaged hair renewal. It is a superior antioxidant and has anti-inflammatory properties, making it a potent hair protection ingredient.

ARNICA MONTANA FLOWER (ARNICA) EXTRACT Contains amino acids that make keratin, which assists in delivering oxygen and nutrients to hair. Its UV protection qualities are also highly effective for damaged hair renewal.

Packaging Options

Heat Spray

125ml | 1000ml (refill)

HAIR DIAGNOSIS
All hair types

Designed to shield your hair from heat whilst creating luminous shine, our Heat Protection Spray will help to increase gloss on dull, dry hair without dragging it down. This perfectly developed, lightweight product helps to provide body to the hair, giving a gutsy texture to lifeless roots for an easy volume boost.

DIRECTIONS OF USE
Spray evenly onto towel-dried hair before using heat tools. Style as needed for a sleek or wavy look.

INGREDIENTS: Aloe Barbadensis (Aloe Vera) Leaf Juice*, Propanediol, Glycerin, Panthenol, Hydrolyzed Jojoba Esters, Hibiscus Sabdariffa Flower (Hibiscus) Extract, White Cypress Leaf Extract, Parfum, Phenoxyethanol, Ethylhexylglycerin, Polysorbate-20, Citric Acid.
*Certified Organic Ingredients

Key Ingredients

WHITE CYPRESS LEAF EXTRACT A potent active ingredient that helps to protect hair from damage. It is also a powerful antioxidant that assists in hair repair.

SABDARIFFA FLOWER (HIBISCUS) EXTRACT Perfect for conditioning damaged hair and protecting from damage.

Packaging Options

Detangler Spray

125ml

HAIR DIAGNOSIS

Our Detangler Spray is a lightweight product designed to reduce knotting whilst helping to tame unruly hair. This gentle, non-sticky and non-greasy formula uses ingredients to soften and detangle hair whilst also protecting the cuticle surface and providing anti-frizz benefits. The unique formula contains a perfect balance of 5 botanical extracts with great benefits for the hair and scalp. It is recommended for regular use on all hair types for children aged two years and up.

DIRECTIONS OF USE
Shake well before use. Spray onto towel-dried hair and gently comb through starting from the ends.

INGREDIENTS: Aqua, Glycerin, Bis-(Isostearoyl/ Oleoyl Isopropyl) Dimonium Methosulfate, Panthenol (ProVitamin B5), Polysorbate-20, Camellia Sinensis (Green Tea) Leaf Extract, Hibiscus Abelmoschus Extract, Terminalia Ferdinandiana (Kakadu Plum) Fruit Extract*, Syzygium Leuhmanii (Lilly Pilly) Fruit Extract, Lycium Barbarum (Goji Berry) Fruit Extract, Hydrolyzed Jojoba Esters, Propanediol, Fragrance, Phenoxyethanol, Ethylhexylglycerin, Citric Acid.
*Certified Organic Ingredients

Key Ingredients

ROSELLA (HIBISCUS) EXTRACT Conditions the hair against frizz, dryness, breakage and helps to prevent split ends.

GOJI BERRI EXTRACT Conditions the hair against frizz, dryness, breakage and helps to prevent split ends.

CAPIXYL A scalp and hair-density active combining a biomimetic peptide with red clover extract. It supports the range's fuller-looking hair, scalp vitality and strengthening positioning.

Packaging Options

Volume Powder

2g

HAIR DIAGNOSIS
All hair types but particularly good for fine hair

This re-workable, lightweight powder boosts your hair for increased texture and volume with no water needed. With its unique dispersing system, our dust is like no other. No more pouring onto your hands and working through the hair.

The fine, mineral powder absorbs the natural oils and product residue on your hair and scalp to give you maximum body with a dry matte finish.

DIRECTIONS OF USE
Shake well and spray directly onto hair. Style with your hands for added volume and texture.

INGREDIENTS: Silica Silylate, Oryza Sativa (Rice) Starch, Silica, Mica.

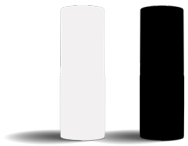

Key Ingredients

SILICA SILYLATE Adds texture and volume while controlling excess oil.

ORYZA SATIVA (RICE) STARCH Absorbs oil and moisture, refreshing hair between washes. It lifts roots for added volume and body, giving hair a lightweight, fresh feel.

MICA Enhances shine and adds a glossy finish to hair by reflecting light off the strands. It gives hair a smooth, radiant appearance without making it greasy.

Packaging Options

Charcoal Styling Paste

100g

HAIR DIAGNOSIS
All hair types but particularly good for fine hair

A versatile styling paste that delivers a medium yet flexible hold with a natural matte finish. Charcoal powder subtly blends white hairs while absorbing excess oil, and kaolin clay adds effortless texture. Lightweight, non-greasy, and easy to work through the hair.

DIRECTIONS OF USE
Take a small amount of paste and warm it between your fingers. Work through dry or slightly damp hair, focusing on areas that need definition and hold. Style as desired using fingers or a comb for a more structured look.

INGREDIENTS: Aqua (water), Kaolin, Petrolatum, Cera Microcrystallina, Paraffin, Ceteareth 20, VP/VA Copolymer, Cera Alba, Oleth-5, Copernicia Cerifera (Carnauba) Cera, Glycerin, Polyquaternium-11, Synthetic Beeswax, Caprylic/Capric Triglyceride, Charcoal Powder, Phenoxyethanol, Caprylyl Glycol, Cedrus Atlantica Oil/Extract, Parfum, Citronellol, Coumarin, Geraniol, Hexamethylindanopyran, Linalool, Pogostemon Cablin Oil, Vanillin.

Key Ingredients

CHARCOAL POWDER Helps subtly reduce the appearance of white hairs while detoxifying the scalp and absorbing excess oil for a refreshed, matte finish.

KAOLIN CLAY Enhances texture and volume while providing a natural matte look.

BEESWAX Provides a medium yet flexible hold while conditioning the hair and locking in moisture.

Packaging Options
